

EIC Accelerator 23 March cut-off

Please note that this is a list of companies that have been selected for funding. Having succeeded the evaluation does not constitute a formal commitment for funding. The final decision on the projects will only be taken upon finalisation of the grant preparation.

| Company Name | Proposal Acronym | Short Description | Recommended Financing Type | Website | Country |
|--|---|--|----------------------------|-------------------------------------|----------------|
| Octave regeneration bvba | iREMS-SeliBat | Integrated Battery and Energy Management System for Second-Life Battery energy storage | Blended finance | www.octave.energy | Belgium |
| XENOMATIX | SEE | Solving the challenge of multi-material garment recycling with thermal disassembly | Blended finance | www.resortecs.com | Belgium |
| DRONAMICS Ltd. | SEAWAI | Unlocking LIDAR technology for European OEMS: For a future of smart and safe Traffic and Mobility | Grant first | https://xenomatix.com/ | Belgium |
| TRANSMETRICS AD | Dronamics | The first European cargo drone airline | Blended finance | https://www.dronamics.com/ | Bulgaria |
| Kvasir Technologies IVS | Transmetrics | The AI platform that optimizes logistics planning and asset management by leveraging the power of predictive analytics and artificial intelligence. | Blended finance | https://www.transmetrics.ai/ | Bulgaria |
| Seaborg Technologies | SEAFARER | Lignocellulosic oil: novel biofuel platform for maritime transportation | Grant first | https://www.kvasirtechnologies.com/ | Denmark |
| Seventh Sense | SEAWAI | Delivering Clean, Affordable, and Safe Nuclear Energy with the Compact Molten Salt Reactor | Blended finance | https://www.seaborg.co | Denmark |
| Aplagon Oy | 7Sense | Independent mobility to the blind and visually impaired using wearable remote touch sensing technology | Grant only | www.7sense.ee | Estonia |
| Carbo Culture Oy | APAC-ON | APAC – the first targeted therapy for peripheral arterial occlusive disease. | Blended finance | http://aplagon.com/ | Finland |
| CH-BIOFORCE OY | CARBONCAPS | CARBONCAPS - Efficient and verifiable carbon removal with ecosystem co-benefits. | Blended finance | http://carboculture.com | Finland |
| TILT BIOTHERAPEUTICS OY | CH-BIOFORCE | CH-Bioforce first-of-its-kind production plant | Blended finance | www.ch-bioforce.com | Finland |
| SURGIY MEDICAL OY | I-CREATE | Fighting cancer with next generation oncolytic immunotherapy in ovarian, head & neck, and lung cancers (Immune Checkpoint Response Enabling Adenovirus Technology) | Blended finance | http://tiltbio.com | Finland |
| Pellivision Oy | SS82 | Surely Safety Burns for safer bone surgery | Blended finance | www.surqifmedical.com | Finland |
| ALKION BIOINNOVATIONS | VR4NEURO | Building the world's largest digital hospital for neurological challenges | Grant first | https://pellivision.fi/en/ | Finland |
| PREDISURGE | AlkaBurst2.0 | AlkaBurst2.0 – A game changing bioreactor for sustainable production of active pharmaceutical ingredients in a consistent, traceable and low cost approach. | Blended finance | http://alkinnov.com/ | France |
| CAILABS | Confident® | Confident®, the digital simulation platform that revolutionizes cardiovascular interventions | Blended finance | 0 | France |
| Scipio bioscience | CROCUS | Coherent Rapid Optical Communication Under the Stratosphere | Blended finance | https://www.cailabs.com/ | France |
| CONNECTING FOOD | DEEP-IN-CELL | Innovative single-cell RNA-seq kit to detect the rarer and more significant cellular genomic expressions | Blended finance | https://scipio.bio/ | France |
| PERHA PHARMACEUTICALS SAS | DIGI-TRUSTY | DIGITAL Twins of food products Unleashing Transparency | Blended finance | https://connecting-food.com | France |
| Brainever | DOWN- AUTONOMY | LCTB-21: A DYRK1A protein kinase inhibitor for treatment of cognitive decline in Down Syndrome. | Blended finance | https://www.perha-pharma.fr/ | France |
| DRACULA TECHNOLOGIES | HOMEOBRAIN | Homeoproteins as novel therapies for neurodegenerative diseases | Grant first | https://brainever.com/ | France |
| KLEARIA | LAYER® | Development of an organic photovoltaic module that generates energy from ambient light | Blended finance | https://dracula-technologies.com/ | France |
| Core Biogenesis SAS | PANDa | PANDa - Portable Multi-ANalyzer for the Detection of metals in water | Grant first | https://www.klearia.com/ | France |
| Sakowin SAS | SEB | Scalable and Eco-friendly Bioproduction | Blended finance | 0 | France |
| Easy SA | South Beach | CO2-free, on-demand, on-site production of low-cost green hydrogen produced with micro-wave plasma | Blended finance | www.sakowin.com | France |
| Freiburger Medizintechnik GmbH | SUPERZINC | Sustainable powder materials for zinc rechargeable batteries | Grant first | www.easy.fr | France |
| ADJUCOR GMBH | Ambijet | Ambijet: the world's first and only highly effective plasma-based solution for Europe's 16 Million periimplantitis patients urgently needing help to avoid losing their dental implant | Grant first | https://www.firmed.de/ | Germany |
| CODASIP GMBH | Biventricular Epicardial Augmentation Technology | A revolutionary technology platform for providing life-saving treatment for end-stage heart failure patients | Grant first | www.adjucor.com | Germany |
| Dermagnostix GmbH | Codasip RISC-V Solution for High-end Processor IP | Codasip High-end processor IP and high-level design tools for RISC-V | Blended finance | www.codasip.com | Germany |
| Envola GmbH | DERMAGNOSTIX | Pioneering diagnostics in dermatology and cancer | Grant first | https://www.dermagnostix.com/ | Germany |
| LiveEO GmbH | Envola storage heat pump a new product category | The Envola storage heat pump enables the world's first highly energy-efficient heating, cooling and ventilation system significantly reducing energy consumption and greenhouse gas emissions in Europe. | Grant first | www.envola.eu | Germany |
| Constellr GmbH | EoInTime | Satellite-based change detection and predictive monitoring of infrastructure grids based on high resolution data | Grant only | https://live-ee.com/ | Germany |
| Crocus Labs GmbH | HIVE | Precise, Global Temperature Data for a Growing Planet | Blended finance | https://constellr.space/ | Germany |
| Mushlabs GmbH | miniSun | Disrupting the horticulture industry with smart lighting solutions | Blended finance | https://crocuslabs.com/ | Germany |
| NUVENTURA GMBH | Mushlabs | Using biotechnology to create the next generation of sustainable foods from the roots of mushrooms | Blended finance | https://www.mushlabs.com/ | Germany |
| TWAICE Technologies GmbH | Nuventura | Novel drv air switchgear technology to reduce industry's dependence on SF6 | Blended finance | https://www.nuventura.com/ | Germany |
| Thericon GmbH | Predictive Battery Analytics | TWAICE predictive analytics and digital twin ecosystem to optimise and automate batteries second life and re-use | Grant only | www.twaiice.com | Germany |
| alocalo GmbH | rMSI | Real-time multi-spectral imaging for accurate detection of cancerous tissue in endoscopic surgery | Grant first | https://www.thericon.com/ | Germany |
| VesseSens GmbH | SmartOnlineSalesRedirect onPlatform | Novel AI-based shopping platform for 100% product supply transparency and smart redirection from e-commerce platforms to local retail to create a resilient European retail sector | Grant first | https://alocalo.de/ | Germany |
| COMPUTOMICS GMBH | StentGuard | Clinical validation of the First Implantable Sensor System for Wireless detection of stent occlusion/ restenosis | Grant first | https://vesselsens.com/ | Germany |
| DT EQUIPMENT EHF | TRAIT4.0 | Transition to agriculture 4.0: increasing crop resiliency with Artificial Intelligence Technology | Blended finance | https://www.computomics.com/ | Germany |
| Venari Medical Limited | IREAS | Intelligent Real-time Elemental Analysis System | Blended finance | www.dte.ai | Ireland |
| LOCI ORTHOPAEDICS LIMITED | EnVena | Automatic vein wall disruption, triggering the body's natural cellular healing response to close targeted veins curing Venous Leg Ulcers | Grant first | www.venariomedical.com | Ireland |
| OVAGEN GROUP LIMITED | InDx CMC Implant | The InDx CMC Implant. A new treatment for thumb base joint arthritis | Blended finance | www.lociorthopaedics.com | Ireland |
| Selio Medical Ltd | Ovavax2 | Accelerating scale up and commercialisation of 100% bacteria free eggs for use in production of vaccines | Blended finance | http://www.ovagen.ie/ | Ireland |
| Restore Medical Ltd | Selio System | Development and commercialisation of a novel needle tract sealant system for pneumothorax prevention during lung biopsy | Grant only | https://seliomedical.com/ | Ireland |
| EZMEMS LTD | ContraBand | ContraBand: the only heart failure medical device that is placed outside the heart | Grant first | https://restoremical.com/ | Israel |
| GenetikaPlus Ltd | DETERMINATION | EDGE MULTI SENSING FOR MEDICAL AND PHARMA APPLICATIONS | Blended finance | https://www.ezmems.com/ | Israel |
| RISE TECHNOLOGY SRL | RxMine | A simple blood test to choose the best treatment for each patient with depression. | Grant first | www.genetikaplus.com | Israel |
| HY2CARE BV | iSPASH | Industrial Selective PLAting for Solar Heterojunction | Grant first | http://www.2ba.it/ | Italy |
| ATRO Medical | ACTIVE | Articular Cartilage Treatment with Injectable hydrogel is Valuable and long-term Effective | Blended finance | www.hy2care.com | Netherlands |
| AMT MEDICAL RESEARCH BV | ALU KNEED | First in class lateral meniscus prosthesis to relieve pain and restore mobility for KOA patients | Grant first | www.atromedical.com | Netherlands |
| Qu & Co B.V. | DEMOQC | Democratizing quantum computing with 3D scalable and customizable quantum processors | Blended finance | https://www.quantware.eu/ | Netherlands |
| INVIVO BIONICS AS | ELANAA® | Bypassing open heart surgery with Excimer Laser Assisted Non Occlusive Anastomosis (ELANAA®) | Grant first | https://www.amt-medical.nl/ | Netherlands |
| Ecopoloplast spolka z o.o. | Qu&Co-Flow | Quantum software platform for multiphysics simulations | Blended finance | https://quandco.com/ | Netherlands |
| HYPER POLAND SPOLKA Z OGRANICZONA ODPOWIEDZIALNOSCIA | PRESSURO | A life-changing PRessure Sensor System for URoDynamics to solve global urinary storage and voiding problems | Grant first | https://www.invivo.io | Norway |
| Ai4MedMaging Medical Solutions S.A. | Ecoplastomer | Breakthrough Technology for Plastic and Rubber Waste Circular TPE | Grant first | https://ecoplastomer.eu/ | Poland |
| Peek Health, S.A. | in silico bio-evolutio | in silico bio-evolutio - novel AI paradigm for molecular biology | Grant first | 0 | Poland |
| WATGRID LDA | Magrail | Welcome to the age of frictionless mobility. | Grant first | https://www.nevomo.tech/en/ | Poland |
| SAALG GEOMECHANICS SL | Ai4CMR | AI-based clinical software for fully automated Cardiac Magnetic Resonance reporting | Grant only | https://ai4medimaging.com | Portugal |
| NEOS NEW BORN SOLUTIONS SL | PeekMedAuto | Novel AI-based system for orthopedic surgery to help surgeons fully automate the pre-operative planning of knee osteotomy | Grant first | www.peekmed.com | Portugal |
| Alcyon Photonics SL | Winegrid | Real time data collection and analytics platform for automatic adjustment of vinification process parameters, a path toward sustainable precision vinification | Blended finance | https://www.winegrid.com/ | Portugal |
| IGNION SL | GEORGIA | GEOtechnical deRisk by Genetic Inverse Analysis | Blended finance | https://www.saalg.com/ | Spain |
| Elicera Therapeutics AB | NEOSONICS | The first medical device for non-invasive detection and monitoring of infant meningitis | Blended finance | http://newborn.solutions/ | Spain |
| XENERGIC AB | SPHUN | Smart PHotonic devices Using Novel metamaterials | Blended finance | https://alcyonphotonics.com/ | Spain |
| Cellevate | TRIO++ | The First Miniaturized Non-Resonant Antenna Tailored to Internet of Things Applications | Blended finance | https://ignion.io/ | Spain |
| CATTLE EYE LTD | CD20CARNAPT | iTANK: a universal technology to boost the efficacy of CAR T cell therapies by inducing dual mode-of-action | Grant only | https://www.elicera.com/ | Sweden |
| hyperTunnel Limited | HIGH-MEMO | Ultra-High Speed memories for unprecedented cloud-computing performance | Grant only | www.xenergic.com | Sweden |
| MULTUS Biotechnology Limited | SBMP-microcarrier | SBMP - disrupting the manufacturing of biological drugs through a ground-breaking nanotechnology-based microcarrier | Blended finance | https://www.cellevate.com/ | Sweden |
| ARC Marine LTD | DAIRYSCORE | Scalable, Autonomous and Continuous AI-based Video Monitoring to Improve Animal Welfare, Increase Performance and Reduce Carbon Footprint | Grant only | https://cattleeye.com/ | United Kingdom |
| Nemesis Bioscience Limited | hyperSwarm | Swarm construction to deliver disruptive step-change improvements to tunnelling | Grant only | www.hypertunnel.co.uk | United Kingdom |
| | Multus Media | Enabling affordable and sustainable cultivated meat with a first-in-class growth medium. | Grant only | https://www.multus.media/ | United Kingdom |
| | RESP | Reef Enhancement Scour Protection | Grant only | https://www.arcmarine.co.uk/ | United Kingdom |
| | Transmids | Inactivation of antimicrobial resistance (AMR) genes in an animal gut microbiome and prevention of horizontal AMR gene transmission | Grant only | http://www.nemesisbio.com | United Kingdom |
